Did the Disc Jockey dress properly for the occasion? Yes, tuxedo.

How well did the Disc Jockey control the music volumes throughout the event? Very well, it wasn't too loud, just right.

Did the Disc Jockey play a good variety of music? Yes, 70's, 80's, Tejano and country. Everyone was happy.

How well did the Disc Jockey help to coordinate the event? Great. Without them we would've been lost. They helped with everything.

How well did the Disc Jockey interact with your guest? Very well, we played games and the guests had a great time. Lots of fun.

How would you rate the appearance of our equipment? Very professional. Not obtrusive.

How would you rate our sound quality? Great sound.

On a scale of 1 to 10, 10 being the best, how would you rate our overall performance?

10 - A very successful reception.

Would you recommend Quality Sounds to your friends and relatives?

Definitely!! TO EVERYONE. We had a Blast.

Could you offer us any comments or suggestions that could better our service in any way?

Thank you for your time. This company is a very important part of our lives. We want to be the best we can be. However, it is sometimes difficult keeping everyone entertained at an event and your comments are an important part in helping us achieve our goal. Thanks again...
