Did the Disc Jockey dress properly for the occasion? How would you rate the appearance of our equipment?

Yes, we said a tux wasn't a must. But when everything was all set up + the show was going, it was a real classy touch. Thank you.

How well did the Disc Jockey control the music volumes throughout the event? How would you rate our sound quality?

Sound quality was excellent. Watching the video proved that.

Did the Disc Jockey play a good variety of music?

Yes. I was so impressed on how the kids got to chicken + Hokey Pokey, the "Adults" got Polka + Maths, + I got to Rock out.

How well did the Disc Jockey help to coordinate the event?

Very well. I had ideas going in, cause I have seen your show before, but Russ brought my ideas to another level, plus ~~all~~ all of your other stuff was so great.

How well did the Disc Jockey interact with your guest?

A+ - that is the main reason I wanted Quality Sounds.

Did you feel our entertainers did their personal best to make your event more enjoyable?

Yes, you guys are very nice + professional. You all worked very hard.

On a scale of 1 to 10, 10 being the best, how would you rate our overall performance?

It has to be a 10, I had very high expectations, and they were exceeded

How would you rate the value of entertainment services for the price paid?

Club 2000 is doubled what the average DJ price is, but it is so worth the extra. You guys have something special.

Would you recommend Quality Sounds to your friends and relatives?

Already Have + Always will - I want to go to another show.

Could you offer us any comments or suggestions that could better our service in any way?

You guys are top notch. A fun idea might be to put together a book from weddings you do, so we can see what the special things look like. Ymca, Death of a Bachelor, etc...

Thank you for your time and for choosing Quality Sounds!

I will send pictures to you if wanted
