Name JASON & CASY WEISE Event WEDDING RECEPTION

Location of Event BUCK HILL

Did the Disc Jockey dress properly for the occasion? How would you rate the appearance of our equipment?

Yes. They dressed exactly how we requested. They looked great. I would give the equipment a 10.

How well did the Disc Jockey control the music volumes throughout the event? How would you rate our sound quality?

I never once thought the music was too loud or too soft. It was perfect. The sound quality was a 10.

Did the Disc Jockey play a good variety of music?

They played all of the songs I requested and even asked our guests for requests which they loved. They felt the crowd out well and played a wide variety of music.

How well did the Disc Jockey help to coordinate the event?

All I can say is without them my reception would not have been the best day of our lives. They kept things rolling so smoothly. They were wonderful people to deal with.

How well did the Disc Jockey interact with your guest?

Many of my guests came up to us and our parents to tell us how much they enjoyed the DJ. They interacted just enough. The kids loved the dance with Mrs. Pool.

Did you feel our entertainers did their personal best to make your event more enjoyable?

With planning my wedding I was dissatisfied with the customer service I got from many companies. However, Quality Sounds customer service exceeded any than I have had before. They made sure our special day was everything we wanted it to be and so much more.

On a scale of 1 to 10, 10 being the best, how would you rate our overall performance?

10 ++

How would you rate the value of entertainment services for the price paid?

10 ++ You can't put a price on the customer service alone they gave.

Would you recommend Quality Sounds to your friends and relatives?

Definitely. I already have 😊

Could you offer us any comments or suggestions that could better our service in any way?

Don't change a thing.
Thank you for making our day Spectacular!

Thank you for your time and for choosing Quality Sounds!
